

JAVA RECYCLED TEAK CO.

IN HARMONY WITH THE EARTH

RECYCLED TEAK SOLID LAMELLA FLOORINGS & CLADDINGS

Java Recycled Teak utilizes the warmth and beauty of Asia's premium quality hardwoods to fashion floors that meet the needs of today's urban lifestyle. As an environmentally aware enterprise, we are committed to reducing pressure on natural rainforest ecosystem. Thus, we promote the use of alternative wood materials sourced from renewable plantations. Hardwoods from sustainable plantations are meticulously sculpted into wood floors that are characterized by a unique and indigenous aesthetics. By redefining rich exotic and oriental motifs so they blend with contemporary spaces, these floors create a living, breathing harmony with the natural world around you.
